Conditions for Permit No. 1-19 (Joseph Schueller)

1. The permit holder shall comply with all applicable laws, rules, and regulations, including but not limited to Redwood County Zoning Ordinance, as hereafter amended from time to time. The permit holder shall abide by all MSHA requirements. A copy of all required local, state, and federal permits and/or licenses shall be provided to the Redwood County Environmental Office upon request.
2. The permit holder shall allow the Redwood County Environmental Office to inspect the site for all purposes permitted by law whenever deemed necessary by the Redwood County Environmental Office.
3. The permit holder shall have proper warning signs posted along 250th Street during times of continuous hauling of material into or out of the site. The warning signs shall conform to the requirements and guidelines as provided in the Minnesota Manual on Uniform Traffic Control Devices.
4. The permit holder shall not allow the conditional use to be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted. The permit holder shall not allow the conditional use to impede the normal and orderly development and improvement of surrounding vacant property for uses predominant to the area. Adequate measures shall be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of the foregoing will constitute a nuisance now or in the future. If dust becomes a problem for the dwellings along 250th Street, then the applicant shall provide dust control measures, or as an alternative to dust control measures, all material will be hauled to State Hwy 68 via Frontier Avenue.
5. The permit holder shall not exceed the boundary limits described and set forth in the *Application for Extraction Conditional Use Permit*. The permit holder shall keep any pit, excavation, or impounded waters within the limits for which the particular permit is granted. The completion date of this *Extraction Conditional Use Permit* will be April 1, 2029.
6. Adequate access roads, drainage, and other necessary facilities shall be provided at all times and shall continue to be provided by the permit holder now and in the future.
7. The permit holder shall at all times properly guard and keep any pit or excavation in such condition so as not be dangerous from caving or sliding banks. The permit holder shall properly drain, fill, or level any pit or excavation after created so as to make the same safe and healthful which shall be determined by the Board of Commissioners. The permit holder shall grade the site after the excavation and extraction has been completed so as to render it usable. The site shall be reclaimed according to the reclamation plan included in the *Extraction Conditional Use Permit*: (1) the site will be graded to a 3:1 (run to rise) slope; (2) reserved topsoil will be spread on the site and thereafter returned to agricultural use. The site shall be clean and free of all debris, including stockpiles, when the *Extraction Conditional Use Permit* reaches its completion date.
8. The permit holder shall post a bond, cash deposit, irrevocable letter of credit, or other security in the amount of \$10,000.00. Further, the bond, cash deposit, irrevocable letter of credit, or other security shall remain in full force and effect for a minimum of one year beyond the ending date of *Extraction Conditional Use Permit*.

9. The permit holder shall maintain bodily injury, property damage, and public liability insurance in the amount of at least \$1,000,000 per occurrence during the life of the extraction operation and shall provide proof of the same to the Redwood County Environmental Office.
10. The applicant shall maintain a 100 foot setback between any excavation or stockpiling of material, and any field drainage tile administered by Redwood County under Minnesota Statutes 103E.
11. The maximum depth of excavation shall be at or higher elevation than the existing grade of the flat ground around the hill being excavated.
12. The Redwood County Planning Commission shall review the conditional use permit and shall be authorized to take any and all necessary action(s), including but not limited to revoking the conditional use permit and/or requiring the permit holder to reapply for a conditional use permit, if: 1) The Redwood County Environmental Office acquires information previously unavailable that indicates the terms and conditions of the permit do not accurately represent the actual circumstances of the permitted facility or the conditional use; 2) It is discovered subsequent to the issuance of the permit the permit holder failed to disclose all facts relevant to the issuance of the permit or submitted false or misleading information to the Redwood County Environmental Office, the Redwood County Planning Commission, or the Redwood County Board of Commissioners; 3) The Redwood County Environmental Office determines the permitted facility or conditional use endangers human health or the environment; and/or (4) The permit holder violates any of the herein described conditions, the Redwood County Ordinances, State statutes, or Federal laws.
