SMOKING IN FACILITIES

§ 111.01 PURPOSE.

The purpose of this subchapter is to:

(A) Protect the public health, welfare and safety by better ensuring the ability of the county residents, specifically children, to breathe safe and uncontaminated air;

(B) Affirm that the right to breathe smoke-free air has priority over the desire to smoke;

(C) Protect vulnerable populations, specifically children, from second-hand tobacco smoke as it is a known cause of: Sudden Infant Death Syndrome, potentially fatal respiratory tract infections, such as bronchitis and pneumonia, respiratory symptoms, including cough, phlegm, wheezing, and breathlessness, frequent and severe asthma attacks, and middle ear infections, which are often related to hearing problems; and

(D) Reduce the negative effects of second-hand tobacco smoke exposure because when children are

exposed they are more likely to be at risk for Type 2 diabetes and to experience heart disease, stroke and lung cancer in their lifetimes. They tend to experience more learning and behavioral problems than children in non-smoking households and are more likely to become smokers in adolescence or adulthood. (Ord. passed 9-4-2012)

§ 111.02 APPLICABILITY.

This subchapter applies to all day care and foster care providers licensed in the county. (Ord. passed 9-4-2012)

§ 111.03 AUTHORITY.

Through 12-31-2012, County Human Services (RCHS) will inspect and license regulated establishments and enforce the applicable laws according to M.S. Ch. 145A, as it may be amended from time to time. Southwest Health and Human Services (SWHHS) will assume these responsibilities beginning 1-1-2013. (Ord. passed 9-4-2012)

§ 111.04 ADMINISTRATION.

(A) County Human Services will administer this subchapter through 12-31-2012. Southwest Health and Human Services will administer this subchapter beginning 1-1-2013.

(B) This subchapter will be administered through educating prospective providers with written materials to be included in informational packets and through further education in-person or otherwise about this subchapter. This is not a day care or foster care licensing issue. This is a child placement preference and disclosure ordinance adopted by the county. (Ord. passed 9-4-2012)

§ 111.05 DEFINITIONS.

For the purpose of this subchapter, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

COUNTY. The County of Redwood.

INDOOR AREA. Defined under the Freedom to Breathe Act of 2007, being M.S. §§ 144.411 through 144.417, as they may be amended from time to time, the space between a floor and a ceiling that is bounded by walls, doorways or windows, covering more than 50% of the perimeter of the area. Temporary physical barriers, such as retractable dividers or garage doors, are considered walls, but not certain window screens.

PERSON/PROVIDER. Those individuals or agencies licensed to provide day care or foster care for children.

SMOKING. Inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette or any other lighted or heated tobacco or plant product intended for inhalation, in any manner or in any form. *SMOKING* also includes the use of an e-cigarette that creates a vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking. (Ord. passed 9-4-2012)

§ 111.06 RULES ADOPTED.

The county recognizes the documented hazards and negative health effects of second-hand tobacco smoke exposure and is effective 11-1-2012, prohibiting tobacco smoking in indoor areas of licensed foster care and day cares and any vehicle used to transport foster care and day care children. Day care or foster care providers may smoke outdoors away from the children in their care, but not in their presence. In addition, licensed providers will keep their grounds free of tobacco product litter, including cigarette butts.

(Ord. passed 9-4-2012)

§ 111.07 ENFORCEMENT.

(A) (1) If it is determined anyone is smoking in an indoor area of a licensed day care or foster care home or in a vehicle used to transport day care or foster care children, through a complaint or inspection, County Human Services prior to 1-1-2013 and Southwest Health and Human Services after 1-1-2013, will make a home visit to review this subchapter with the provider and provide education/ educational materials. Upon the provider's refusal to comply with this subchapter or a second complaint or failed inspection, RCHS/SWHHS will send a written notice of this chapter violation to the licensed provider. The provider must post this notice by his or her license for two years from the date of the notice. If the provider is still non-compliant, if RCHS/ SWHHS receives a third complaint or if a licensed day care, foster home or vehicle fails inspection a third time:

(a) Foster care: no further placements will be made until the home and/or vehicle meet the smoke-free requirements; and

(b) Day care: RCHS/SWHHS will send a letter to the parents of the children under the provider's care explaining the provider is in violation of this chapter.

(2) Each violation will be reviewed individually by RCHS/SWHHS.

(B) Under the Freedom to Breathe Act of 2007, being M.S. §§ 144.411 through 144.417, as they may be amended from time to time, smoking is not allowed anywhere within the indoor areas of a state-licensed

day care center, family home day care or group family day care provider home during hours of operation. Therefore, smoking in a licensed day care home during business hours violates the Freedom to Breathe Act, and may be punishable by fines or other penalties as detailed in M.S. § 144.417, subd. 2, as it may be amended from time to time. Smoking in a licensed day care home outside of business hours will be handled as outlined in division (A) above. (Ord. passed 9-4-2012)

§ 112.01 PURPOSE.

§ 112.31 BASIS FOR LICENSE DENIAL.

(A) The following shall be grounds for denying the issuance or renewal of a license under this chapter; however, except as may otherwise be provided by law, the existence of any particular ground for denial does not require the county to deny an application for the issuance of a license.
