## INSTRUCTIONS, SUPPORTING DOCUMENTS & APPLICATION

### INSTRUCTIONS

Use the Birth Record Amendment Application form to add or change information on a Minnesota birth certificate. To **add** missing information to a birth record you need to send in at least one supporting document. To **change** information on a birth record you must send in at least two supporting documents. You may need to send additional documentation depending on what items you wish to amend. See *What you need to know about supporting documents* on pages 4, 5 and 6 of this document.

"Amendment" means completion or correction made to demographic and legal items on a birth record after purchase of a birth certificate, or more than one year after the birth, whichever occurs first.

## What does the birth certificate show now?

Fill in this section with the information as shown on the birth certificate **now**. This information helps the Office of Vital Records locate the correct birth record.

## You may request amendments to the following items:

### Child's/Subject's

- First, middle, last name and name suffix
- Date of birth
- Time of birth
- Plurality (single birth, twin birth, triplet, etc.)
- Sex
- Place of birth

### Parent's

## Requester Information - Information about you - What is your...

...relationship to the subject of the birth record? Only certain individuals may request amendments to birth records. This is for the protection of the subject of the birth record. Indicate your relationship to the subject of the record.

If you are the subject of the record, you must be 18 or older to request an amendment. If you have a court order and are 18 or older, *you* must be the requester, not your parent.

If you are a parent, your name must be on the subject's current birth record.

If you are a legal guardian or legal representative of the subject, you must include a certified copy of a U.S. court order with the application. The court order must name you as the legal guardian or list you as the legal representative.

Complete the rest of the Requester Information section so that the Office of Vital Records can contact you if we have questions and so that we can send your documents back to you.

## REQUIRED – Sign this application in front of a Notary Public

**Do not sign the application until you are in front of a notary public.** You must present government-issued photo identification to the notary. The notary will check your identification, and watch you sign and date the application. Then, the notary will mark the application with a stamp (or a "seal") and sign the application. The notarized application shows the Office of Vital Records that you really signed it.

See [Notary information](https://www.health.state.mn.us/people/vitalrecords/notary.html) (<https://www.health.state.mn.us/people/vitalrecords/notary.html>) on the Minnesota Department of Health website if you want more information.

## Birth record amendment fee

You must pay a fee to amend a Minnesota birth record when you apply. The fee for administrative review and processing of a request for the amendment of any vital record is \$40. Fees are non-refundable. *Minnesota Statutes, section 144.226*. The \$40 fee is only for the amendment. The fee does not include a new birth certificate.

## Do you want a new birth certificate after the amendment?

One birth certificate costs \$26. Enter \$26 in the box showing "Enter \$26 for 1 certificate."

If you want more than one certificate, additional certificates cost \$19 each *if you order them now on this application*. Enter the number of additional copies in the box showing "Enter # copies."

## Do you want standard or faster processing?

**Standard processing** means that we process amendment requests in the order that we receive them. If you want standard processing, enter \$0 on the application under 'Choose processing fee'.

If you want **faster processing** of the amendment, enter \$20 on the application under 'Choose processing fee'. The \$20 fee moves your request ahead of standard requests. *Faster processing **does not** include UPS delivery.*

Visit [Birth Record Amendments](https://www.health.state.mn.us/people/vitalrecords/amend.html) (<https://www.health.state.mn.us/people/vitalrecords/amend.html>) or call 651-201-5970 to check on processing times.

## How do you want us to send your documents back to you?

After we complete your request, we will send you your supporting documents and any new certificates you order back by Regular First Class Mail®.

If you want UPS delivery to an address in the United States, enter \$16 on the application under 'Choose delivery fee'. Check the box to require a signature for UPS delivery. ***The Office of Vital Records and UPS are not responsible for deliveries that do not require a signature.***

If you want us to send your documents to an address outside of the United States, you must include a UPS prepaid envelope when you submit your application, supporting documents and fees.

## How do you want to pay?

In this section, mark the box that shows how you will pay for the services you chose. You may pay by credit card, check or money order. Fees are payable with your application and are non-refundable. The Office of Vital Records will not process amendments or issue new certificates without the fees.

If you want to pay by credit card, fill in the cardholder name, card number, expiration date (Valid thru) and 3-digit security number.

If you want to pay by check or money order, make the check or money order payable to the Minnesota Department of Health. Write your check number or your money order number in the space provided.

Do not send cash.

## Send your application, supporting documentation and payment to the Office of Vital Records
