County Ditch 100

In the Matter of:

**the Redetermination of Benefits of
CD 100**

**FINDINGS AND ORDER
INITIATING THE REDETERMINATION
OF BENEFITS AND APPOINTING
VIEWERS**

The Redwood County Board of Commissioners, sitting as the drainage authority for CD 100, pursuant to Minn. Stat. § 103E.351, based on the record and proceedings, Commissioner Goebner moved, seconded by Commissioner Van Hee to adopt the following Findings and Order:

Findings:

1. The Redwood County Board of Commissioners is the drainage authority for CD 100.
2. CD 100 was established in 1963. Benefits for CD 100 were determined concurrent with establishment in 1963, prior to the initiation of modern, intensive farming and drainage practices within Redwood County.
3. The current benefits roll reflects the benefitted properties, benefitted areas, and benefit values as determined by viewers based on assumptions regarding the future use and drainage of said properties.
4. Since the original establishment of CD 100 and the original determination of benefits and damages, land uses and drainage practices have changed to accelerate and increase the flow of water to the drainage system changing the nature and value of benefits accruing to lands from construction of CD 100.
5. Since the original determination of benefits and damages, land values have changed within the benefitted area of CD 100.
6. The drainage authority finds that the conditions required for the initiation of a redetermination of benefits exist, that the original benefits and damages do not reflect reasonable present day land values, and the benefitted areas have changed.

Order:

Based on the foregoing Findings and the entire record of proceedings before the Board, the Board, acting as the drainage authority for CD 100, hereby orders as follows:

- A. The Board shall follow the procedures of Minn. Stat. § 103E.351 to conduct a redetermination of benefits for CD 100.
- B. That Mark Behrends, Robert Hansen, Kendall Langseth, John Thompson, Bruce Ness, and Wes Dahl are hereby appointed as viewers to redetermination and report the benefits and damages for CD 100.

After discussion, the Board Chair called the question. The question was on the adoption of the foregoing findings and order, and there were 4 yeas, 0 nays, 1 absent, and 0 abstentions as follows:
